

## **PRODUCT RECALL NOTICE URGENT**

**Date: July 21, 2018**

**To: Mondelēz Global LLC Customers**

**Re: Recall Notice – Certain Ritz Cracker Sandwiches and Ritz Bits product in the U.S., including Puerto Rico & U.S. Virgin Islands**

Mondelēz Global LLC announced today a voluntary recall in the United States, including Puerto Rico & the U.S. Virgin Islands, of certain Ritz Cracker Sandwiches and Ritz Bits product. These products contain whey powder as an ingredient, which the whey powder supplier has recalled due to the potential presence of Salmonella.

Salmonella is a microorganism that can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with Salmonella often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with Salmonella can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis.

There have been no complaints of illness reported to Mondelēz Global LLC to date in connection with these products. The company is conducting this recall as a precaution, based on the ingredient supplier's recall.

This recall is being conducted with the knowledge of the U.S. Food and Drug Administration.
